# EATING IN

## Chef at Home Ideas

Many Chefs / caterers will be booked up well in advance with large events, so you are more likely to find availability if you are looking for a weekday night or if you go for a "drop off" option.

### Sisters Catering

01981 570 235

We have used Two Sisters for catering and they can do dinner parties with waitressing services. They have been working across Herefordshire for over 25 years but are a bit old school so no website. They catered a meal for 13 of us at home earlier this year and it was excellent.

### Field 2 Fork

07508 076 999

info@field2forkcatering.co.uk

www.facebook.com/Field2ForkCatering

Katie (and Hamish) at Field 2 Fork can be slow / poor on administration but I highly recommend her food and presentation. She can either prepare food for you with waitress service or drop off meals with just a few tiny instructions on how to finish it off – all the décor is provided and you really do get a professional looking and fabulous tasting outcome without having of anyone else in the house with you.

### Chef James

07835 166 911

www.chef-james.co.uk

I haven't tried Chef James but I know the person he does all the shooting meals for and he has very high standards so I am sure he too would be good quality.

### Gastronomy by Jon

### A to Zest

01432 341 120

www.atozest.co.uk

I haven't tried at home but I have been to lots of events where they were the caterers and the food was excellent. They are likely to be busy with weddings however.

### Cote at Home

02039 001 287

www.coteathome.co.uk

A friend recommended Cote at Home as well, again I haven't tried myself but just thought I would give you a few options as there is often not enough notice for chefs.

# VINEYARDS & DISTILLERY TOURS

## **Lulham Court, Lulham, Herefordshire, HR2 9JQ**

**01981 250 277**

Nestled within the picturesque Wye valley in Herefordshire, close to the village of Madley, Lulham Court has been making wine in Lulham from our now well established vine stocks since 1984.

The grape varieties we grow are Müller Thurgau, Reichensteiner and Seyval Blanc, from which we make and market a range of superb dry, medium dry and medium still wines, plus our increasingly famous sparkling Brut wine.

## **Lyde Arundel Vineyard, Lyde, Herefordshire, HR4 7SN**

**01432 343 657**

The vines are located in Lyde Arundel's Vineyard on a south facing slope adjacent to a picturesque lake. The varieties of grape used are Seyval Blanc and Phoenix - they give the floral notes to the finished taste. Our wines are bottled at Three Choirs Vineyard, Herefordshire. Peacock Paddock is a fine example of modern English white wine. The delicious combination of crisp and floral aromas create a light, refreshing wine perfect for a summer evening.

## **Four Foxes Vineyard, Hereford, HR1 4BX**

**01432 850 065**

An 8.0 acre vineyard on a fine south facing site with tasting area. Plus refreshments and a picnic area with wonderful views of The Black Mountains. Visitors to the vineyard are able to walk around and examine the vines, wine tasting and children's play area.

## **Three Choirs Vineyard, Baldwins Farm, Newent, GL18 1LS**

**01531 890 223**

This is England, but not as you know her. Vines rustle here instead of oak leaves. There are no ancient castles, but our historic vineyards still have stories to tell. Yes, here at Three Choirs in Gloucestershire, we are 75 acres of England. But we are also Tuscany and Bordeaux. Welcome to our vineyard. There is a Brasserie on site.

## LOCAL TOWNS AND SHOPPING

Or for a more alternative day go on a Wednesday to the weekly livestock market to see an agricultural auction in action followed by the Mappa Mundi in Hereford Cathedral (c1300). Church Street is next to the Cathedral and is a beautiful cobbled street with a lovely array of independent shops for gifts, cards, interiors and clothing. Try No 28 Interiors, Calandras Menswear, Mousetrap Cheese and Fodder for great wholefoods.

### **Abergavenny (40 mins)**

Busy, fairly large market town. We love the Art shop and café for lunch. It is called the gateway to Wales. Walk up the Skirrid, Sugar Loaf or Bloreng. Visit the White Castle Vineyard,. The Arts or Food Festival. Try a cookery class with the Abergavenny Baker or Chapel Cottage Art teaching studio, visit the museum or castle, or try a narrowboat or take a stroll along the river meadows.

### **Leominster (30 mins)**

Small market town famous for its antique shops. Flying Dutchman does a good door wedge sandwich. Check out Brightwells for auctions of anything from classic cars to antique furniture and wines. Surrounded by beautiful and ancient black and white villages (there is a 40 mile trail if you want to try it!) – any drive to or from Leominster is a pleasure. Market day are Fridays in Corn Square with a wide range of stalls.

### **Brecon (50 mins)**

Visit the Cathedral or Royal Welsh Military Museum, walk along the canal or up Pen y fan or any of the other Beacons or just take a drive up the "Heads of the Valley" road for amazing views.

### **Ross (35 mins)**

A friendly and welcoming small market town, with lots of independent shops, overlooking the Wye and within the Wye Valley Area of Outstanding Natural Beauty. Ross is located midway between the cities of Hereford and Gloucester. Enjoy a meal at No 3, take a walk up May Hill, take the vintage shopping trail and look at the Market House local arts and crafts.

## LOCAL TOWNS AND SHOPPING

### **Monmouth (35 mins)**

Nestling in the tranquil lower reaches of the beautiful Wye Valley, a centre for tourism since 1780, Monmouth is well known for its iconic 13th century gatehouse bridge. It has a famous past with its connections to Henry V, Geoffrey of Monmouth and more recently Queen, Simple Minds and Monmouthpedia. Renowned for its independent retail sector, with restaurants to suit all tastes, it is also the place for a coffee in a café in a quiet courtyard.

### **Symonds Yat (40 mins)**

Symonds Yat is a village and popular tourist destination which straddles the River Wye in England. Symonds Yat Rock viewpoint is well known as one of the best places in the country to watch Peregrine Falcons. However, with a little patience, there are many other birds that you can see here too. With wild swimming, paddleboarding, rock climbing, a maze and the butterfly zoo, there is plenty to keep your little ones entertained for the day.

### **Ledbury (40 mins)**

At the foot of the Malvern Hills and to the east of Hereford is the market town of Ledbury. Oozing culture, famous for its landmark black and white buildings and streets, Ledbury's stamp of individuality has made it a destination that keeps on giving. Tuesdays and Saturdays see its weekly markets in the stunning Grade 1 listed, Market House. The key to discovering Ledbury is to explore its myriad of mews and side streets, literally every few yards along the long High Street and the Homend. Crammed with intriguing independent shops, eateries and galleries. Try a meal at The Malt House, The Olive Tree, the Ledberry for a cute cafe or for a vegan meal try Pot and Page.

### **Ludlow (60 mins)**

A lovely market town with a castle right in the centre and an excellent food centre on the outskirts all set under the beautiful Shropshire hills. Numerous festivals throughout the year.

### **Hay on Wye (30 mins)**

Hay on Wye has 26 book shops and many quirky antiques and vintage shops. The best include:

- Llewellyns, High Town
- Flyr de Lys, High Town
- Mostly Maps, Castle St
- Hay Antique Market, Market St

There are often vintage fairs plus a weekly market every Thursday 9-2:30 so this is the best day to visit. The International Literacy Festival in May is legendary. Lots of places to eat - The Three Tuns, Shepherds or The Granary. It's a super place to have a wander around the independent shops.

### **The Black and White Village Trail**

The trail is characterised by the large number of timbered and half-timbered houses in the area some dating from medieval times, others from more recent periods. 'Unrivalled in England' This is how Alec Clifton-Taylor described the half timbered 'black and white' buildings of north-west Herefordshire. The Black & White Village Trail is a motor/cycle route through some of the prettiest villages and most beautiful landscape. The 40 mile circular trail leads west from the ancient town of Leominster, through the most picturesque black and white villages along the way. Each village has its own character with tea-rooms, shops, craft workshops and pubs. Take advantage of the quieter pace of life and enjoy a day spent following the byways of quintessential rural England. Weobley, Eardisland and Pembridge are our favourites. There is good food at Jules restaurant.

# SPECIAL WALKS

## THE THREE CASTLES

Grosmont Castle, Skenfrith and White Castle. The walk along the River is absolutely gorgeous.

## THE SKIRRID

Walk the mountain of myths and legends which is only half an hour away, it's an energetic steep climb through woods and open mountainside with a 360 degree view at the top. Parking at the base off the B4521 at NP7 8AP. 1-2 hours, 4 miles if you do the circular route. Find out about the legend of how the Skirrid lost it's side section.

## THE SUGAR LOAF

One of the highest in the Black Mountains. The road leading up to it is currently closed so it's a longer walk from the public car park at Fairfield in Abergavenny. The panoramic views from 596m peak are amazing, it looks like a volcano, and there are lots of paths full of wildlife.

## MAY HILL WALK

[www.nationaltrust.org.uk/may-hill/trails/may-hill-countryside-walk-gloucestershire](http://www.nationaltrust.org.uk/may-hill/trails/may-hill-countryside-walk-gloucestershire)

The initial steep climb on this 3 mile circular walk is well worth it for the lovely woodland section and the views over Herefordshire, Severn Estuary, Forest of Dean, the Cotswolds and across to the Black Mountains. 50 minutes drive to get there, park at GL18 1JS

## HAUGH WOOD

Haugh Woods is an SSSI of 850 acres with good forest tracks, many suitable for a pushchair with only gentle slopes. It's super for a picnic and there are two Woodland Trust butterfly trails as there are over 600 species living there. HR1 4LW.

# OUR FAVOURITE THINGS TO DO

Walk....it is a walkers paradise. There are lots of quiet lanes and footpaths spilling out in each direction from the property. Check out our map for ideas and routes.

Learn about Hereford's fascinating history and quirky characters and visit the cobbled Church Street, markets in High Town and the Cathedral.

Take a drive up the Black Mountains, enjoy the view then back into Hay to potter around Hay Market. Every Thursday, Hay Market is a bustling place with stalls piled high with tasty fruit, vegetables, cheese, meat, fish, bread, cakes – even falafels! There's also a smaller Saturday market in the Hay Cheese Market. Check out the many vintage and secondhand boutiques as well as the famous bookshops.

Paddle downstream from Wye Valley Canoes in Glasbury or Preston on Wye with Hereford Kayak and Canoe.

Spot the wildlife, on and near our farm lake we have so much going on, so keep your eyes peeled as they fly (and walk) in the fields around our lake. We have swans nesting, ducks, coots, moorhens, a heron, a buzzard, even some Oystercatchers.

A local's secret... fish and chips from Madley takeaway. It's less than a mile away and they are really good (even have gluten free) or get your food supplies in from Oakchurch Farm Shop.

Dinner at The Kilpeck Inn for reliably good food or The Yew Tree in Preston On Wye. This is our favourite really close place if you just want a quick bite to eat in a very traditional no frills setting. The food is good "pub grub", the staff are friendly, it doesn't look anything special, it is small but popular with locals so do book!

Visit The Courtyard Chase Lounge to enjoy some food and cocktails, try the roof terrace bar and browse the Art gallery or watch a show.

Enjoy a drink whilst relaxing in the hot tub as the sun sets.
